Hi, Kathy,

I forgot to get this info in the last newsletter. But thanks to Betty Ostin, who wanted it, I am now sending to you for next month's newsletter. I'll try to get a photo to you also. Thank you.

15 Minute Table Runner

Supply list:

(Make sure fabrics are cut straight)

1/3 yd. focus fabric

1/2 yd. back and border fabric

2 buttons

2 tassels (optional)

1. With right sides together of the 2 fabrics, stitch 1/4" seam along each LONG edge
2. Turn inside out
3. Spread out on ironing board so back comes around to make the borders on the front. Make the border even on both sides. Press.
4. Fold in half longwise with BACK sides together
5. Stitch 1/4" seam along the 2 SHORT sides; press seam open
6. Turn corners inside out to form pointed ends; press
7. Starting just under the edge of the pointed end, stitch in the ditch of the 2 long sides to secure the front to the back
8. Sew a button at each end where backing meets focus fabric, again to secure the front to the back
9. Add tassels to the 2 points if you want.

Hope this makes sense. Call with any questions. ~~XXXXXXXXXX~~
