

Meeting notes from 6/9/2015

Called to order at 9:38am.

Executive Board meeting – Cookie Braunschweig, Joan Costello, Lannie Staniford, Sandy Wagner, and Debby Sweeten in attendance.

Cookie handed out a copy of the May 31, 2015 financial statement.

Sandy discussed class refunds. People are canceling out on classes at the last minute and wanting their class fees used for a future class. From now on, there will not be any refunds 2 weeks before a class.

The budget is doing fine for the quilt show.

The quilt borders in-house workshop has been postponed until after the quilt show.

Cookie brought up the budget for 2016. The board will have a meeting after the October business meeting to discuss the 2016 budget.

Joan will bring up an idea to the members about classes and trunk shows. Sandy had talked to the last instructor we had (Grace Errea) who shared what other guilds are doing. The guild has a trunk show with an instructor at their business meeting and then they have a class with that instructor the following day. The board agreed to bring it up to the guild at the meeting.

The executive board meeting was adjourned at 9:55am.
